Hello Lorena Parker,

My name is Rebecca Nagy. I am helping coordinate LAPD's assets for the upcoming Fleet Week.

This includes the events occurring around San Pedro and ensuring the safety of Sailors, Visitors and locals.

I would like to have basic information about the Welcome Party for First Thursday's.

What is the layout of the event? See attached map.

Are there performances? Yes. We will have two entertainment areas as shown in green. We will have about 8 different performances.

Where is the Incident Command Post or for this event? Is there a Incident Command Post? I have been reaching out to our Senior Lead Officer Nua to identify what is needed for this event.

Are there additional security being used? Yes. We have a security company that we use. I have not completed the schedule for the event.

What kind of street closures will be in place and what is being used to close the streets? We will be using water-filled K-rails.

How many people are expected to attend? We have no idea, but we are guessing about 2,000.

Is it going to be published on the internet? Yes, our marketing department will have a campaign promoting it.

I have a question. When the Battleship Iowa came into town in 2013, they had a beer garden with an ABC permit. I need to speak with LAPD regarding this. I want to add additional tables and chairs to the event to add capacity to our restaurants.

If you have anything already put together please send it to me. If you have any questions let me know. I look forward to working with you.

Thank you,
Rebecca
